Please complete the online travel form found on the online portal so we know how your camper/s will arrive to and depart camp.

- Boston Logan (BOS) and Portland Jetport (PWM) are our arrival/departure airports
- Internationals: please book flights to arrive between 10:00 AM and 4:00 PM (if possible)
- Domestics: Please book flights to land no later than 2:00 PM
- It is approximately a 2-hour drive one way from Boston and 1 hour from Portland
- Transfer costs are: \$300 round trip (BOS) & \$50 round trip (PWM)
- Final travel confirmations will be sent out a few days before travel days. This includes what to look out for at the airport and final information. Our staff will be at the airport to pick up your camper as soon as they disembark and collect baggage.

Internationals: Most of our campers that fly into camp will be on transferring through certain worldwide hubs. We have published a list of designated flights from major airports and we strongly encourage parents to book their campers on the attached flights. These flights have generally been the most popular option for campers in previous summers. We want to encourage you to make every effort to book these flights, so your camper can fly with other campers and allow a smooth and timely pick up at the airport. International campers can fly into BOS or PWM.

Domestics: If your camper resides in the USA, please book flights to Portland Jetport (PWM). The current transfer fees for the airport are \$50 round trip for PWM, and \$300 round trip for BOS. Please contact us if your camper is unable to fly into PWM. *West coast families (CA and ORE), we request that your camper arrives prior to 1:00 PM on arrival day. If this is not possible campers may be approved to arrive on international arrival day (the day before). Please confirm with our office BEFORE booking. This applies to campers flying to camp and requiring a pickup, not parent drop offs.*

If your camper is arriving on any other date, please contact us.

Departure day: We ask that you book flights leaving between 11:00 AM – 5:00 PM. These are recommendations only but please book flights within our respected arrival/departure times. Please do send us a quick email to confirm that the times you have selected are okay BEFORE you book.

Unaccompanied Minors: Any young campers who will be flying as an unaccompanied minor, for which you are paying the airline an additional fee must notify us once a booking has been confirmed. Flight times still must be within the time frame shown above. You must complete all UM paperwork prior to your camper attending to camp, including a receipt for the UM service. BE prepared for airlines to not allow you to write the below information on your booking prior to traveling. This must be edited at the departure airport as we have procedures in place with airlines at both Boston and Portland that your home country is not aware of.

UM Information: (Write EXACT)

Designated Pick Up: Andrew Gadah (Or Maine Teen Camp Representative with Letter)

Things to know:

- All campers on arriving flights will be met by staff as soon as they come through security and have their baggage. Emails will be sent around a week before arrival with instructions on for your camper.
- Please let us know as soon as possible if you are booking your camper as an unaccompanied minor.
- We have staff in each of our terminals meeting your campers. There may be around a 1 hour wait to load your campers onto one of our air-conditioned shuttles to camp, as we have multiple campers arriving.
- Campers will be unable to fly without UM preparations dealt with. Please check your airlines unaccompanied minor policy as they differ between companies.
- Please pack your campers snacks accordingly. There may be a while from the time they leave their home to arrival at camp. Food and snacks will be available throughout the day and if a camper arrives after dinner, there will be meals available.
- There is no need to send boarding passes prior, these will be ticketed at the airport.
- Masks may be required in camp vehicles.

As always, if you have any questions at all please do not hesitate to get in touch.
